Night & Day

Saving Cole Porter’s house
as B&B, & museum.

In the roaring traffic’s boom,
the stately clock against the wall...
silence of such lonely rooms. Well,

hail to thee, Peru, Indiana. Despite
your lack of roaring traffic & tom-
toms under falling jungle shadows. With

a bow to the other Modernism, had been meth
lab. From Art to Commerce and back in free-

ly spastic America. Take heart though:
Can put Meth Museum anywhere.
